Re: Application for 120-acre non-standard  
proration unit, Blinbry Gas Pool, Lea  
County, New Mexico

Gentlemen:

We have your letter of November 29, 1962, requesting administrative approval of a 120-acre non-standard gas proration unit to be dedicated to your F. F. Hardison Well No. 4-B located in Unit B of Section 34, Township 21 South, Range 37 East, Lea County, New Mexico. As your letter reflected a carbon copy to El Paso Natural Gas Company, I assume they are the only operator offsetting this acreage. If so, administrative approval will be granted upon expiration of the required 30-day waiting period.

If there are other offset operators, please notify them and advise us as administrative approval cannot be granted until 30 days after all offset operators have been notified.

Very truly yours,

JAMES M. DURRETT, Jr.,  
Attorney
