Re: Texas Pacific Oil Company
application for a 160 acre
non-standard gas proration
unit for its State "A" A/c-2
No. 14 in Section 11, T-22-S
R-36-E, MMPN, Eumont Pool,
Lea County, New Mexico

Gentlemen:

Texas Pacific Oil Company respectfully requests administrative approval under the provisions of Rule 5-C of the General Rules and Regulations for the prorated Gas Pool of Southeast New Mexico on Order R-1670 for the formation of a 160-acre non-standard gas proration unit consisting of the NE/4 of Section 11, Township 22 South, Range 36 East, for its State "A" A/c-2 No. 14 well located 660 feet from the north line and 1980 feet from the east line of Section 11, Township 22 South, Range 36 East, Lea County, New Mexico, in the Eumont Gas Pool.

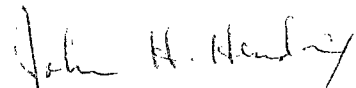

In support of this request we should like to point out that the proposed unit conforms with the requirements of said Rule 5-C in all respects as follows:

1. Said proposed non-standard gas proration unit consists of contiguous quarter-quarter sections.
2. Said proposed non-standard gas proration unit lies wholly within a single governmental section.
3. The entire proposed non-standard gas proration unit may be reasonably presumed to be productive of gas.
4. The length or width of said unit does not exceed 2640 feet.
5. Copies of this application have been furnished this date by registered mail to all offset operators and all operators within 1,500 feet of said well, as required by the provisions of said Rule 5-C.

A plat is attached hereto showing to the best of our knowledge and belief the proposed unit, the location of the No. 14 well and other wells on the lease, offset wells and ownership thereof.

The granting of this application is in the interest of preventing waste and the protection of correlative rights.

In view of the facts set out herein it is respectfully requested that the Commission enter an order approving the non-standard gas production unit for Texas Pacific Oil Company's State "A" A/c-2 No. 14 well as described above.

John H. Hendrix
District Engineer
New Mexico District

STATE OF NEW MEXICO)
) ss.
COUNTY OF LEA)

John H. Hendrix, upon being duly sworn, deposed and says that he is the District Engineer for Texas Pacific Oil Company, and as such is authorized to file the foregoing application, that he has read said application and knows the contents thereof, and that the statements made therein are true, as he is credibly informed and believes.
