Re: Nonstandard Proration Unit, Monument-  
Tubb Pool, Lea County, New Mexico.

Gentlemen:

Sinclair Oil & Gas Company hereby makes application for an exception to Rule 2, Order No. R-2800, to permit the establishment of a 40-acre nonstandard proration unit for its Lea 373 "A" Well No. 1 completed in the Monument-Tubb pool, Lea County, New Mexico.

Said well is located 1980' from the south line and 660' from the east line in Unit I of Section 34, T-19-S, R-37-E, and was completed as a marginal oil well with an initial potential of 25 barrels of oil per day. The 40-acre nonstandard proration unit consists of the NE/4 of the SE/4 of said Section 34.

All offset operators, as shown on the attached plat and as listed below, have been furnished copies of this application this date by certified mail and are hereby requested to sign one copy of this letter and forward same to you in the attached self-addressed envelope. Upon receipt of said waivers or within 30 days after your receipt of this application if no objection has been received it is respectfully requested that this application be approved.

Yours very truly,
