Gentlemen:

Application is hereby made on behalf of Dallas McCasland for administrative approval of an 80-acre non-standard Jalmat Gas Proration Unit to comprise the W/2 SW/4 of Section 16, Township 23 South, Range 36 East, to be dedicated to the Aztec State No. 1, located 990 feet from the South line and 660 feet from the West line of said Section 16.

The subject well has produced since completion as a Jalmat oil well. By letter dated July 27, 1977, the Oil Conservation Commission has advised that it will be reclassified as a gas well due to excessive gas-oil ratio.

Attached is a plat showing the Aztec State lease and the offset operators. All offset operators have been furnished a copy of this application and plat by certified mail.

Yours very truly,

OIL REPORTS & GAS SERVICES, INC.

(Mrs.) Donna Holler
