Re: Green "B" #9 Well  
South Empire Morrow Field  
Eddy County, New Mexico

NE 1/4  
E 1/2 NW 1/4  
and lots  
1 and 2

Gentlemen:

General American has drilled and completed the referenced well located 1980' FNL and 2310' FEL of Section 19, T17S, R29E, Eddy County, New Mexico. The acreage dedicated to this well is the North Half of Section 19, in which General American owns a 100% working interest. The North Half of Section 19 contains 294.64 acres due to a variation in legal subdivisions one and two which contain 27.36 and 27.28 acres respectively as indicated on the attached plat which is a Xerox copy of a county map prepared by Midland Map Company posted to January 1, 1977.

Pursuant to Section "C", Rule 104 DII, General American requests that the Division Director grant administrative approval to this non-standard gas unit without notice and hearing.

Should you have any questions regarding this application, I would appreciate your contacting the undersigned at (214) 368-5811. Any aide you could give us in the expeditious handling of this approval would be appreciated as we anticipate having our connections made to the gas purchaser, Transwestern, on Wednesday, July 25.

Yours very truly,

W. T. Patterson  
Western Division Superintendent
