Attention: Mr. Joe D. Ramey
Director

Gentlemen:

We respectfully request administrative approval of an exception to Blinebry Gas Pool Special Rule Number 5 (A) of Order Number R-1670 to allow the dedication of a 120-acre proration unit to the Sims Well No. 2. The proposed unit is described as the northeast quarter and south half of the northwest quarter, Section 24, T-22-S, R-37-E, Lea County, with Well No. 2 located 1980' from north and 661' from west section lines. This nonstandard unit is necessitated by the reclassification effective January 1, 1980, of Well No. 4 from gas to oil status and the required separated designation of proration units dedicated to oil and gas wells.

Attached is Form C-102 reflecting the dedicated acreage and well location, a lease plat reflecting offset operators, and a current list of mailing addresses for each offset operator.

Offset operators are hereby requested by certified mail to waive objections to the proposed nonstandard unit to be dedicated to Sims Well No. 2. Copies of certified mail receipts are also attached for your information.

Your consideration and advice subject to the ~~30~~²⁰-day waiver waiting period will be appreciated.

Yours very truly,

T. Harold McLemore
