Chevron USA, Inc.
P.O. Box 670
Hobbs, NM 88240

Attention: Alan W. Bohling

Administrative Order NSP-1598(L)

Dear Mr. Bohling:

Reference is made to your application of March 1, 1990 for a 40-acre non-standard gas proration unit consisting of the following acreage in the Jalmat Gas Pool:

LEA COUNTY, NEW MEXICO
TOWNSHIP 25 SOUTH, RANGE 37 EAST, NMPM
Section 32: NE/4 SE/4

It is my understanding that this unit is to be dedicated to your existing Arnott-Ramsey (NCT-B) Well No. 7 located 2130 feet from the South line and 990 feet from the East line (Unit I) of said Section 32, which is an unorthodox gas well location for said pool.

By authority granted me under the provisions of Rules 2(a)4 and 2(c) of the Special Rules and Regulations for the Jalmat Gas Pool, as promulgated by Division Order No. R-8170, as amended, the above described well and non-standard gas proration unit are hereby approved.

Sincerely,

William J. LeMay
Director
