RE: Request for administrative approval for a 40-acre non-standard gas proration unit, North San Simon-Yates Associated Pool, SE/4 NE/4 of Section 19, Township 21 South, Range 35 East, NMPM, Lea County, New Mexico.

Dear Mr. Marks:

Subsequent to my initial review of the subject application I find that more information will be required. Please submit a plat clearly showing the offset operators to the proposed non-standard unit. Also, were all of the interest owners in the W/2 NE/4 and SE/4 NE/4 of said Section 19 notified of this application (see Rule 4(b)(3) of the General Rules and Regulations for the Associated Oil and Gas Pools of Northwest and Southeast New Mexico, as promulgated by Division Order No. R-5353, as amended).

I understand my request is somewhat unusual, however I feel it is necessary considering the fact that Collins & Ware, Inc. operates the State "19" Well No. 1 in Unit A as an oil well in which the NE/4 NE/4 is already dedicated, and Rule 5(b) does not allow simultaneous dedication of any acreage to an oil well and a gas well. Further, said rule requires the Division to protect all interest owners in the remaining 120 acres contained in the NE/4.

Thank you for your cooperation and understanding.

Sincerely,

North San Simon - Yates Associated Pool,
SE/4 NE/4 Section 19-T21S-R35E, Lea County.

Gentlemen:

Pursuant to your letter of 2 November 93, the following additional information is submitted in support of the captioned application:

- 1.) A take-off prepared by Lea County Abstract Company identifying the working interest and overriding royalty interest owners in the remaining 120 acres of the NE/4.
- 2.) Receipts of Certified Mail to each of those owners furnishing them with a copy of the application.
- 3.) A schematic plat showing the offset operators to the proposed Non-Standard unit.

I trust that the above information will satisfy your requirements and put us in compliance for approval of the application upon the expiration of the waiver period. Please notify us if anything further is required.

Respectfully submitted,

MARKS & GARNER
