1 WHEREUPON, the following proceedings were had at
2 8:15 a.m.:

3 EXAMINER JONES: Okay, let's call the hearing to
4 order.

5 This is the Docket Number 04-04 Examiner Hearing,
6 Thursday, February the 5th, 2004. And first let's call the
7 continuances and dismissals.

8 On the first page, Case 13,210 is dismissed, Case
9 13,205 continued to February 19th, Case 13,175 continued to
10 March 18th.

11 And the second page, Case 13,210^{2//} [sic] is
12 continued to March the 4th, and Case 13,212 is continued to
13 March the 4th.

14 And the last page, Case 13,144 -- Scott Hall is
15 not here today, but that would be the sixth continuance of
16 this case, so... I think we're going to go ahead and
17 continue it one more time, but I'll call Scott Hall about
18 that.

19 Any other continuances or dismissals?

20 MR. BRUCE: Mr. Examiner, since we're still kind
21 of witness-short here at the time, at the bottom of page 2,
22 the Case 13,203, Application of John R. Stearns, I believe
23 Mr. -- that case was originally filed administratively for
24 an unorthodox gas well location. There was an objection,
25 so it was set for hearing.

I notified everyone of the hearing. It was set for hearing four weeks ago, no one showed up, and I submitted a notice affidavit. Because no one showed up, I asked that it be referred back to the administrative docket. Mr. Stogner requested that it be called today to see if there was an objection, otherwise you would issue an order administratively.

So I would ask that you call that docket, and if no one else appears then the case would be dismissed because of an administrative order.

EXAMINER JONES: Okay. Thanks, Mr. Bruce. Any other continuances and dismissals?

(Thereupon, these proceedings were concluded at 8:17 a.m.)
