Re: Application of Doyle Hartman, Oil Operator for simultaneous dedication, an exception to Rule 3(D) of the Special Rules and Regulations for the Eumont Gas Pool, an unorthodox infill gas well location, and to amend Division Administrative Order NSL-4773(SD), Lea County, New Mexico, Case No. 13050

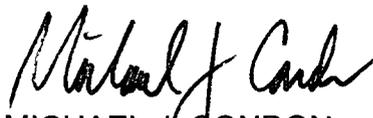

Dear Mr. Stogner:

I have consulted with my client, and we would prefer to have this matter continued to the July 10, 2003 docket in order to assure that the case will be heard on that docket. We do not want to prepare for hearing on the 19<sup>th</sup> to learn at the last minute that the docket will not allow this matter to be heard. Unless I hear from you to the contrary, I will assume that we do not need to prepare for or appear on June 19. Thank you for your cooperation. If you need any additional information, or have any questions, please feel free to contact me.

Very truly yours,

GALLEGOS LAW FIRM, P.C.
