Dear Mr. Brooks:

Pursuant to your letter dated April 14, 2003, please be advised that Kaiser-Francis Oil Company will bring the subject well into compliance with NMOCD Rule 201.B, by its immediate plugging and abandonment. It is my understanding that this information was conveyed to you by telephone on this date by our engineer, Mr. Jim Wakefield. We have attempted to sell this well to several parties, however, all of those attempts to sell the well have failed to close due to circumstances beyond our control.

Should you have further questions regarding this letter you may call Mr. Wakefield at (918) 491-4510.

Sincerely,

Wayne A. Fields, Landman
