1 HEARING EXAMINER EZEANYIM: All right.

2 This hearing will come to order.

3 Good morning everybody. My name is  
4 Richard Ezeanyim. And as you know, I don't have any  
5 hearing examiner. I'm going to be the hearing  
6 examiner. Fortunately for me there is no other  
7 cases that I have to handle. Otherwise I don't get  
8 to sustain any objections.

9 Today we are going to call Docket  
10 Number 9-14. And it is March 20, 2014, at  
11 approximately 8:15 in the morning.

12 The first order of business is you have to  
13 read all the continuances and dismissals for the  
14 docket. Fortunately for me today I have a very  
15 light docket.

16 Could we go to Page Number 1 and Case  
17 Number 15104. It is continued to May 4.

18 Case Number 15088 is continued to April 3.

19 Case Number 15089 is continued to May 4.

20 On page 3, Case Number 15095 is continued  
21 to April 3.

22 And then the last page 4, Case Number  
23 15082 is continued to April 3.

24 Case Number 15072 is continued to April 3.

25 Are there any other continuance or

1 dismissals?

2 Okay. That is very good. That means our  
3 docket today is very light. So this is what I  
4 thought, in order so we can, you know, get out of  
5 here in one-half hour before the next case.

6 Next, I will look at Case Number 15085 and  
7 15086. Could I continue today to collect notice?

8 And then the next one will be Case Number  
9 15105.

10 And if it is okay with counsel, I would  
11 like to consolidate Case Number 15096 and 15097.  
12 That is in the same section.

13 And then Case Number 15102 is to be held  
14 by Mr. Dawson. Is that going to to present a  
15 problem to anybody?

16 Okay. Very good. We will go with that  
17 order and then see what happens.
