Subject: Case Numbers 15269 and 15270

Phil,

Trabajo Del Spear, LP requested a continuance on Monday, March 2nd for the pooling hearings for Chevron's White City 21 25 27 5H and 6H wells (Case Numbers 15269 and 15270). Trabajo noted in their combined motion that Chevron opposed the proposed continuance. Since that request, Trabajo has also sent various proposed revisions to the JOA to Chevron. Based on Trabajo's request for a continuance, Chevron has not flown their two witnesses to Santa Fe for the March 5th hearing. Chevron understands that the hearing for these two wells will be continued to the March 19th docket.

Best,
Jordan
