Re: Case No. 15322 (de novo): Application of Key Energy Services, LLC for approval of a salt water disposal well, Eddy County, New Mexico.

Dear Mr. Catanach:

The Commission has placed this matter on its December 10, 2015, docket due to the de novo appeal of Order R-14052 by the applicant, Key Energy Services. BC Operating, Inc. and Crown Oil Partners V, L.P., who appeared at the Division hearing in opposition to this application, request that this matter be continued to the Commission's January docket due to attorney scheduling issues. Gary Larson, the attorney for the applicant, has been contacted and does not oppose this continuance request.

Thank you for your attention to this matter.

Sincerely,

Michael H. Feldewert
