**Re: Proposed amendment of Wolfcamp gas pool rules near White City, Eddy
County, New Mexico**

Dear Matador Production Company:

Cimarex Energy Co. of Colorado ("Cimarex") is preparing to file an application with the New Mexico Oil Conservation Division to change the setback requirements for the Wolfcamp gas pools located near White City in Eddy County, New Mexico. The proposed change would reduce the minimum setback from 660 feet to 330 feet from the outer boundary of each spacing unit. The affected pools are described on the list and map enclosed as Exhibits "A" and "B".

Cimarex is seeking the support of offset Operators within the pools and of Operators within a one mile radius of each pool for the proposed change prior to filing its application. Please indicate your support by signing and returning this letter to Cimarex in the space provided below. If you have any questions concerning this matter, Please do not hesitate to contact me at jcockrell@cimarex.com or directly at (432) 571-7845.

Respectfully,
