On behalf of Devon, and as their attorney of record, I agree with Jordan's e-mail.

Jim

Subject: XTO/Devon Remuda Cases (Case Nos. 15832-15843)

Gentlemen,

XTO and Devon have reached a voluntary agreement in Cases 15832-15843. The status of the cases is as follows:

- Case Nos. 15836-15843 (Remuda Bone Spring): Orders have been issued (Order Nos. R-14510-14517) authorizing compulsory pooling and formation of non-standard spacing units for pooling purposes. These orders have been appealed by Devon (see attached).
- Case Nos. 15832-15835 (Remuda Wolfcamp): Orders have not been issued. These applications requested compulsory pooling, formation of a non-standard spacing unit for pooling purposes, and formation of non-standard spacing units in the Purple Sage Pool.

For all cases, XTO requests that Devon be dismissed as a party to be pooled. This will render Orders

R-14510-14517 moot. XTO requests that the Division dismiss the pooling portion of Case Nos. 15832-15835, but proceed with issuing orders authorizing non-standard spacing units in the Purple Sage Pool. XTO and Devon jointly request dismissal of the de novo appeals of Cases 15836-15843.

Please let me know if you have any questions.

Thanks!

Jordan
