Yes, this is the JOA, and Ms. Powell has signed a lease in favor of GM Energy.

Dear Mr. McMillan:

At your request, I attach the Operating Agreement for the Frio Project (Case 15922). The overhead rates are found in Exhibit C,III, (1)(B) – approximately page 47 of 54 (unfortunately, there are no page numbers on the document). The administrative and supervision rates while producing are \$800 each, totaling \$1600.00.

Yes, we have entered into a Lease with Linda Powell – it is being recorded in Curry County now.

Please let me know if I may provide any additional documents.

Regards,

Jim and Karen:

Where is the Operating agreement that shows the overhead rates for drilling and supervision that was part of the testimony?

Has Soujourner finalized the terms with Ms. Powell?

Mike
