Will and David,

Please find attached to this email an affidavit from Matador's landman clarifying that the correct well proposal letter and AFE was sent to the working interest owners, but an incorrect well proposal letter was attached to the affidavit submitted in the case. We ask that this affidavit be included in the record for Case No. 15747. Please let us know if you have any questions. With this supplementation, we believe this case is ready to be taken under consideration.

Thank you for your attention.

Very best!

Adam

Thanks Will—I apologize for being so slow to respond.

I've confirmed with Sam Pryor that the correct well proposal letter was sent to all of the interest owners, but he simply sent me the incorrect letter to be used as an exhibit. There is no defect in the affidavit and the case was uncontested, so I think this can be resolved by emailing a corrected version of the exhibit to you and David, since we regularly provide supplemental or corrected exhibits by email. Please let me know your thoughts and I will send the letter over.

Thanks!

Jordan

Thanks Will and David. We're having issues locating the file; I will get back with you as soon as I've had a chance to review. Sorry for the delay!

Hi Jordan,  
Would you ask Sam Pryor with Matador to send us a corrected Exhibit No. 17-A (Proposal letter) in this ReOpened Case.  
It appears this proposal letter was for the wrong well and was accepted into the record at the November 30th hearing.

Please let us know if the correct proposal went to the owners.  
If not, maybe reopen the case again? You and Mr. Brooks would know best on this issue.

I have the draft ready - and noticed this.  
Regret the delay.

Thanks,

Will Jones
