Florene,

I'll try to sum up the status of the Novo Rana Salada cases as I understand it.

Novo has six Rana Salada cases before the OCD: 16281, 16282, 16283 16284 16285 & 16286. The six cases were all consolidated for hearing purposes, but they are six separate cases.

All of these cases *except* 16284 were heard on August 9th.

Mike McMillan sent me an email requesting that additional notices be given for both 16282 and 16283, evidence for which we plan to provide on November 1st.

My understanding is that 16281, 16285 and 16286 are the cases that were taken under advisement at the August 9 hearing.

Case 16284 was not presented on August 9th because the application was amended as a result of negotiations between Novo and TDY who opposed the application as initially submitted. We would like to present 16284, as amended and re-noticed, on November 1st.

If I have it right, we would like 16282, 16283 and 16284 re-advertised for November 1.

Thank you,  
Candace
