Case No. 20190

**APPLICATION OF MEWBOURNE OIL COMPANY
FOR COMPULSORY POOLING, LEA COUNTY,
NEW MEXICO.**

Case No. 20248

**MEWBOURNE OIL COMPANY'S
RESPONSE TO MOTION FOR CONTINUANCE**

Mewbourne Oil Company ("Mewbourne") files this response to the motion for a continuance filed by Percussion Petroleum Operating, LLC ("Percussion").

1. Mewbourne and Percussion have filed competing applications seeking to pool the Glorieta-Yeso formation in a horizontal spacing unit comprised of the E/2E/2 of Section 34, Township 19 South, Range 25 East, NMPM.

2. Percussion has filed a motion for a continuance seeking a special hearing date. Apparently Mewbourne had agreed to a special date a month ago (the undersigned's memory is apparently failing). However, no special date was ever set, so Mewbourne opposed a continuation from the March 21st docket.

3. Percussion spends time in its motion, without any evidentiary development, requesting a continuance due to alleged better development plans and lack of good faith negotiations. These statements are superfluous. All Percussion needed to say was the statement

in Paragraph 9 of the motion: It has witness availability problems. **As a result, Mewbourne accedes to the continuance request.**

4. However, absent a setting for a special hearing, Mewbourne requests that these cases be heard on April 18th.

WHEREFORE, Mewbourne requests that Percussion's motion be granted, but the case be set for hearing on April 18th.

Respectfully submitted,
