Hello All,

As an FYI, even though NGL has agreed to the continuance I will be responding to Solaris' Motion to Dismiss to close the loop on that motion.

Thanks,

Deana

Subject: NGL Whitt 31 SWD No. 1 Case NO 20404 -- continuance

Examiners,

As noted in COP's prehearing statement filed yesterday, COP sought NGL's request to continue this case to the next available examiner docket. NGL has agreed to that request.

We received a motion to dismiss the application filed by Solaris today in which the SLO is included on the certificate of service. The SLO does not object. I did not immediately hear back from counsel for Solaris, but since they filed a motion to dismiss, I assume that they do not object to a continuance.

Accordingly, we ask that this case be continued to the next available examiner docket.

Sincerely,
Adam
