Mike:

Jay Management has decided to withdraw its application for the SWD in the above-captioned case. OCD's proposed limitation of the SWD only being able to accept water from the identified formation was not contemplated by the applicant. I appreciate your time and patience as we tried to sort this out. Thus, no additional exhibits will be produced to supplement the record at your request. Is there a withdraw of application that we should file to close the matter before you (without prejudice)?

Thanks,
Kate
