NATURE OF INTERVENOR'S INTEREST

In Case No. 20585 Permian Oilfield Partners, LLC ("Permian") seeks approval to inject produced water into the Siluro-Devonian formation through the Super Siphon State SWD Well No. 2, located in Section 36, Township 24 South, Range 34 East, NMPM.

Solaris has applied for administrative injection authority for a salt water disposal well within 1.5 miles of the Super Siphon well. Solaris' application was filed before Permian's application was filed. Thus, Solaris is an interested person in this case, and objects to the granting of Permian's application.
