Case No. 20917

**STIPULATED MOTION TO SET DEADLINE
FOR POST-HEARING SUBMISSIONS**

BTA Oil Producers, LLC ("BTA") and Novo Oil & Gas Norther Delaware, LLC ("Novo") submit this joint, stipulated motion to set the deadlines for BTA and Novo to file post-hearing submissions. As grounds for this motion, BTA and Novo state as follows:

1. The above referenced cases were heard by the OCD on November 14-15, 2019.
2. At the close of the hearing, OCD requested that BTA and Novo file proposed findings of fact and conclusions of law and a memorandum of points and authorities.
3. OCD set the deadline for post-hearing filings thirty days after the notice of the availability of the transcript by OCD.
4. BTA and Novo did not receive notice of the availability of the transcripts in the OCD files and recently became aware that the transcripts were filed by reviewing the docket.
5. It appears that the transcripts were filed in the above referenced case files on or around December 10, 2019.
6. Once BTA and Novo realized that the transcripts had been filed in the OCD case files, counsel for BTA and Novo coordinated to determine how to proceed.
7. BTA and Novo have agreed to stipulate to January 21, 2020 as the deadline for filing post-hearing submissions.

DEC 23 2019 PM 02:39

BTA and Novo respectfully request that OCD enter an order setting the deadline for the filing of post-hearing briefs in the above referenced cases for January 21, 2020.

Respectfully submitted,
