---

Order R-20608 was issued on June 6, 2019, and pooled only the interests of XTO Holdings, LLC in a standard horizontal well spacing unit. On October 3, 2019, Examiners Goetz, Coss and Ames took evidence under a second application to Amend R-20608 to add additional wells to the pooling order. I am happy to report that the applicant, Ameredev Operating, has reached a voluntary agreement with XTO Holdings, LLC for development of the acreage. Accordingly the second application to amend can be dismissed and pooling Order R-20608 is no longer necessary.

Thank you for your attention to this matter and please feel free to contact me if you have questions.
