Deadline to commence drilling June 30, 2020

Applicant/Operator: Mewbourne Oil Company

Proposed Well:

Dear Sir or Madam:

The following pertains to your request received by the Division on April 8, 2020 and to the requirements in the captioned hearing order. You have requested an extension of the deadline to commence drilling given by the Division in the captioned order.

As stated, you are requesting an extension to spud this well due to the recent collapse of market conditions and to monitor results of other wells in the field. There was no opposition in the captioned case. You are requesting an additional year in which to spud this well. The spud date is now extended to **June 30, 2021**.

Ordering Paragraph No. (4) and No. (5) of the captioned order is hereby amended, changing "June 30, 2020" to "June 30, 2021". The requested additional year in which to commence drilling is hereby granted.

All other provisions of this order remain in full force and effect.

Sincerely,

ADRIENNE SANDOVAL
