I have confirmed with Ms. Shaheen that the parties have closed on an agreement resolving these disputed pooling cases. Accordingly, we ask that the Division dismiss these cases currently scheduled for a status conference on the August 20th docket.

Thank you for your patient attention to these matters.

We are waiting for all of the V-F Petroleum group to sign the JOA. Once that is done, the parties will be able to dismiss the pooling cases.

Mr. Felderwert--

I appreciate the heads-up that we will not need an all-day hearing on July 24, but I'm wondering about the request for a status conference on August 20. If the parties are reaching an agreement, we wouldn't need a setting for a contested case, presumably, or further status conferences, as the matters would proceed by affidavit.

What am I missing here?

I have conferred with Ms. Shaheen and the parties are in the process of signing an agreement that will eliminate the need for the July 24th hearing on these competing pooling applications. Accordingly, the parties jointly request that these matters be continued to August 20th for a status conference.

Thank you for your attention to these matters.
