Re: Injection Permit Extension
SWD-R-20874

Ms. Sandoval:

Solaris Water Midstream is requesting an extension on our Injection Permit (SWD-R-20874) Capt Call SWD #1 in Eddy Co., NM. This permit is due to expire on September 18, 2020. It is difficult for us to provide an exact plan for when we would spud this well for various reasons, including the ongoing Covid-19 situation.

According to the GIS on the NMOCD website the AOR has included two additional operators, who have been notified via certified mail.

I have enclosed a copy of the approved permit for your convenience. If you need additional information I can be contacted at whitney.mckee@solarismidstream.com or 432-203-9020.

Thank you.

Sincerely,
