---

Good evening,  
Case 21543 will be noted as a status conference. I do not need a revised EOA as I will include this email in the case file.  
Have a blessed Thanksgiving.

**Subject:** [EXT] Update on EOA Cases 21542, 21543, and 21544

Marlene, good afternoon,

I submitted an EOA for Flat Creek Resources for Cases 21542, 21543, and 21544. After discussions with Counsel for Matador, we've arrived at further clarification, that Flat Creek Resources does not object to Matador going forward by affidavit for Cases 21542 and 21544, but only protests Case 21543 involving the Norris Thornton Com RB #204H Well in the Wolfcamp, for which the parties involved agree that this Case 21543 should be scheduled for a status conference.

Please let me know if this email suffices or if you need a revised EOA,

Thanks,

Darin
