Case No. 14,700

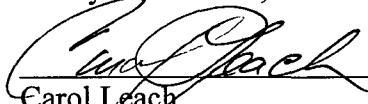

MOTION TO CONSOLIDATE CASES

COG Operating LLC (COG) brings this Motion to Consolidate Case Nos. 14,669 and 14,700 for the purposes of hearing before the Oil Conservation Division (OCD). In support of this Motion, COG states as follows:

1. Combining the matters for hearing will save the parties and OCD time and expenses;
2. Both cases address the compulsory pooling of a spacing unit and the parties to the cases are the same;
3. Combining the cases will avoid repetitive hearings on the same facts; and
4. No counsel has filed an entry of appearance for the non-agreement parties.

Respectfully submitted this 15th day of July, 2011.
