Counsel,

The Commission received the unopposed continuance requests for the above-noted matters which are currently set for hearing on July 8, 2021.

The Chair is not granting these requests and is changing the setting from a hearing to a status conference and therefore your attendance is required. Depending on what the Commission learns from the parties at the status conference, the Commission will then determine the nature and date of any potential future settings.

Should you have questions, please let me know.

Regards,  
Chris
