Subject: [EXTERNAL] Request for status conference/Case 22282/Kaiser-Francis

CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments.

All: Kaiser-Francis requests that this matter, set for hearing, be converted to a status conference.

At the hearing Kaiser-Francis will request that it be allowed to continue the case to 12/2 and consolidated with Kaiser-Francis Case 22033 and Matador Cases 22123 and 22124. Those cases are subject to a PHO.

The reason for this request is that all four cases pertain to adjacent lands. The parties are continuing in their negotiations to resolve their differences in this particular area.
