RE: Appeal Case #14472 De Novo
Hearing Case #14547 De Novo

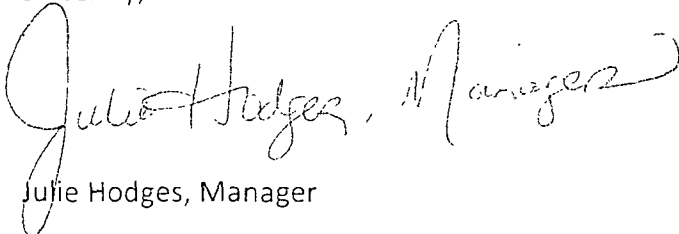

Dear Mr. Fesmire,

Chica Energy, LLC has assigned ALL of its rights, ownership and position in the Dalton Federal #1, Dow "B" 28 Federal #1 and the Gulf McKay Fed #1 to Judah Oil, LLC. Judah Oil, LLC has also submitted a Change Of Operator to the Bureau of Land Management on these wells and was approved. Chica Energy, LLC assigned its position in these wells to Judah Oil, LLC after the NMOCD refused to allow Chica to be an Operator in the State of New Mexico.

Chica Energy, LLC has no affiliation with Judah Oil, LLC of any kind and since Chica transferred ALL of its rights, title and interest to Judah Oil, LLC has no longer any right or purpose to be involved in any manner with the above described cases before the Oil Conservation Commission.

Chica Energy, LLC does not want to be party in any of these cases, since it no longer owns or holds any position, interest or right to any of the wells or issues pertaining to the Cases or De Novo Hearings pending before the NMOCC.

Sincerely,

Julie Hodges, Manager

Chica Energy, LLC
