In re:

CHUZA OIL COMPANY,

Involuntary Debtor.

Case No. 18-11836-t7
Chapter 7

**ORDER GRANTING CHAPTER 7 TRUSTEE'S MOTION TO APPROVE
COMPROMISE OF CONTROVERSY BETWEEN THE TRUSTEE AND THE
UNITED STATES DEPARTMENT OF THE INTERIOR REGARDING
ESTATE'S INTERES IN WELLS, LEASES AND EXECUTORY CONTRACTS**

THIS MATTER came before the Court upon, Philip J. Montoya, the chapter 7 trustee (the “Trustee”) *Motion to Approve Compromise of Controversy Between the Trustee and the United States Department of the Interior Regarding Estate’s Interest in Wells, Leases and Executory Contracts*, filed November 16, 2020 (Doc. No. 104) (the “Motion”). Having considered the Motion and the record, and the requirements set forth in the Bankruptcy Code and Bankruptcy Rules, and being otherwise sufficiently advised,

THE COURT FINDS:

A. On July 25, 2018 (the “**Involuntary Petition Date**”), an *Involuntary Petition against a Non-Individual* (Doc. No. 1) was filed against Chuza Oil Company (the “**Debtor**”). On August 27, 2018, the Court entered an *Order for Relief in an Involuntary Bankruptcy* (Doc. No. 16), thereby commencing a case under chapter 7 of the bankruptcy code. On September 4, 2018, a *Notice of Appointment of Trustee* (Doc. No. 18) was filed by the United States Trustee, giving notice of the Trustee’s appointment.

B. The Estate’s Interest in Wells, Leases and Executory Contracts. Upon information and belief, the estate holds an interest in oil and gas assets consisting of the wells, related leases and executory contracts (the “**Assets**”) listed on Exhibit A to the Motion. After evaluating the salability and value of the Assets, the Trustee determined there is no equity for the benefit of unsecured creditors, and on August 21, 2020, filed a *Notice of Trustee’s Intent to Abandon Estate’s Interest in the Wells, Leases and Executory Contracts, and Proceeds Thereof, if any* (Doc. No. 101).

C. The Objection. On September 8, 2020, the Department filed an *Objection to Trustee’s Intent to Abandon Estate’s Interest in the Wells, Leases and Executory Contracts and Proceeds Thereof, if any by the United States Department of the Interior*, (Doc. No. 102) (the “**Objection**”). By the Objection, the Department argues that abandonment would not relieve the bankruptcy estate of statutory and regulatory obligations with respect to the abandoned mineral rights. On September 17, 2020, the Trustee filed his *Response in Opposition to Department of the Interior’s Objection to Trustee’s Notice of Intent to Abandon Wells*, (Doc. No. 103).

D. The Proposed Settlement Agreement. The Trustee and the Department have reached terms of an agreement regarding abandonment of the Assets, pursuant to which, and upon entry of this Order, (i) the Trustee will have been deemed to have abandoned the estate’s interest

in the Assets, (ii) plugging bonds associated with the wells identified on Exhibit A deemed abandoned from the bankruptcy estate, and the Department shall be granted relief from stay to pursue recovery against such bonds, (iii) the Department shall release any and all claims against the estate for any administrative expenses, including cleanup costs or liability from any statutory and regulatory obligations alleged in the Objection, and (iv) the claim of the Department (Claim No. 13) shall be fixed at \$117,106.86; any requests for additional amounts in reservation of its rights therein shall be deemed disallowed.

E. On November 16, 2020, notice was given of the Motion (the “**Notice**”) in accordance with the Bankruptcy Code and Bankruptcy Rules 2002(a)(6) and 9006(f), to all persons on the official mailing list maintained by the Clerk of the Bankruptcy Court in connection with this case. The Notice specified a period of twenty-one (21) days, plus three (3) days resulting from service of the Notice by mail, for a total of twenty-four (24) days, to object to the Motion;

F. On November 16, 2020, Trustee filed the Notice with the Court (Doc. No. 105);

G. The Notice was sufficient in the particular circumstances;

H. The objection deadline specified in the Notice expired on or before December 10, 2020, with no objections to the Motion having been filed;

I. The Motion is well taken and should be granted as provided herein; and

J. Entry of this Order is appropriate under Fed. R. Bankr. P. 1007(a)(5).

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the Motion is approved and the Trustee is authorized to enter into the compromise as set forth in the Motion, including authority to abandon the assets from the estate, and the parties are directed to consummate the settlement.

Case No. 18-11836-t7
Chapter 7

**NOTICE OF TRUSTEE'S INTENT TO ABANDON ESTATE'S INTEREST IN THE
WELLS, LEASES AND EXECUTORY CONTRACTS, AND PROCEEDS THEREOF, IF ANY**

TO: CREDITORS AND OTHER PARTIES IN INTEREST:

PLEASE TAKE NOTICE that pursuant to 11 U.S.C. § 554(a) and Fed. R. Bankr. P. 6007(a), Philip J. Montoya, Chapter 7 Trustee of the Chuza Oil Company bankruptcy estate (the "Trustee") intends to, and will, abandon the following described property as burdensome and of inconsequential value to the estate unless, within fourteen (14) days from the date of service of this Notice, a creditor or other interested party files a written objection and request for hearing with the Clerk of the Bankruptcy Court as set forth below. The Trustee herein intends to abandon all claim of title or other interest in the following property:

All right and title, if any, to each of the Wells listed on the attached Exhibit A.

The Wells: The Trustee has examined the possible value of each of the Wells listed on Exhibit A and the possibility of selling the estate's interest in the Wells, and has determined that the costs in connection with selling would be prohibitive and far outweigh any value to the estate, since attorneys' and other fees would exceed any net benefit. Trustee also believes it is not sensible or beneficial to the estate to keep them open year after year since the wells are not operating and the Trustee has not collected any amounts from the operations of these Wells. Based on the *de minimis* nature of the estate's interest in the Wells, if any, Trustee therefore seeks to abandon any interest in the Wells listed herein on Exhibit A and any proceeds thereof.

Leases and Executory Contracts: The Trustee intends to abandon the following Leases and Executory Contracts listed on the attached Exhibit B. The Trustee believes the Leases and Executory Contracts are burdensome and of inconsequential value to the estate.

After the above analysis the Trustee has determined that there is no equity for the benefit of unsecured creditors.

IF YOU OBJECT TO THE ABANDONMENT proposed herein, you must file the original and one copy of your written objection with the Clerk of the United States Bankruptcy Court, District of New Mexico, Pete V. Domenici U.S. Courthouse, 333 Lomas Blvd. NW, Suite 360, Albuquerque, New Mexico 87102, **within fourteen (14) days from the date of mailing of this notice, plus three (3) days for service of the Notice by mail, for a total of seventeen (17) days.** If you are an attorney, you must electronically file your objection at <https://ecf.nmb.uscourts.gov/cgi-bin/login.pl>. You must provide a copy of your Objection to Daniel A. White, Esq., Askew & White, LLC, 1122 Central Ave. SW, Ste. 1, Albuquerque, NM 87102.

IF OBJECTIONS ARE TIMELY FILED, a hearing to consider them will be held on short notice to the Trustee's attorney and any objecting party. If no objections are timely filed, the abandonment will take effect without further notice or order.

Respectfully submitted,
ASKEW & WHITE, LLC
