

Northern Pacific Oil & Gas Incorporated

July 4, 2023

I, Santiago Garcia, CEO of Northern Pacific Oil and Gas, am formally requesting from the court a continuance on said hearing for OCD case #23551.

I am requesting this continuance, as I have not been able to retain appropriate counsel in the state of New Mexico, as all that I have reached out to have a conflict of interest.

For that reason, I would like for the court to consider this as a request for continuance in the notice of set action.

Sincerely,

Santiago Garcia

CEO
