* Wells with Yeso production as identified by COG Operating LLC

October, 2010 - "The properties acquired in the Marbob and Settlement Acquisitions" are primarily located in the Permian Basin of Southeast New Mexico, including a large acreage position in the Yeso play on the New Mexico Shelf. . . .
"On October 15, 2010, Concho and Marbob resolved litigation with BP and Apache related to same disputed contractual preferential purchase rights. As a result of the settlement, Concho acquired a non-operated interest in substantially all of the oil and natural gas assets subject to the litigation"
