

**STATE OF NEW MEXICO
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION**

IN RE: NOTICE OF VIOLATION ISSUED TO DOMINION PRODUCTION COMPANY, LLC

CASE NO. 25795

This matter came before the NM Oil Conservation Division for a scheduled hearing at 9 a.m. on January 8, 2026, at Santa Fe, New Mexico, before a duly appointed Hearing Officer.

NOW, the Division Director, having considered the record in this matter and the failure of the Respondent to appear, issues the following Order pursuant to the New Mexico Oil and Gas Act, NMSA 1978, Section 70-2-1 et seq., and 19.15.5.10 NMAC.

FINDINGS OF FACT

1. The OCD has jurisdiction over the parties and the subject matter in this proceeding.
2. The OCD duly filed a Notice of Violation ("NOV") and a Docketing Notice in this matter and properly served these documents on the Respondent, Dominion Production Company, LLC, via certified mail and electronic mail to their designated addresses in November and December of 2025 (pp. 3-4, 27).
3. The NOV specified that a hearing would be held on January 8, 2026, and that a process for informal resolution was available for 30 days from receipt of the NOV (pp. 12, 14).
4. The Respondent failed to avail itself of the informal resolution period, failed to respond to notices from the OCD, and did not correct its non-compliance (p. 3).
5. The Respondent, Dominion Production Company, LLC, OGRID # 291567, failed to appear at the scheduled hearing on January 8, 2026.
6. The Respondent is the registered operator of one hundred and twenty-eight (128) wells in New Mexico, of which one hundred and twenty-four (124) were and remain inactive and out of compliance with OCD regulations, specifically 19.15.25.8 and 19.15.5.9 NMAC (pp. 1, 7-8).
7. The proposed civil penalty for these violations, as outlined in the NOV and supporting documents, amounts to \$324,000.00 (pp. 4, 8, 14).

8. The evidence admitted into the hearing record consisted of the following exhibits attached to the Pre-Hearing Statement and offered without objection by the Oil Conservation Division (OCD):
 - a) Exhibit 1: Affidavit of Rob Jackson (pp. 4, 6)
 - b) Exhibit 2: Resume of Rob Jackson (pp. 4, 9)
 - c) Exhibit 3: NOV (Notice of Violation) against Dominion Production Company, LLC, dated November 19, 2025, with attached Exhibit A (Inactive Well List) and Exhibit B (Civil Penalty Calculation) (pp. 5, 11)
 - d) Exhibit 4: Affidavit of Sara Griego (pp. 5, 26)
 - e) Exhibit 5: OCD Pre-Enforcement Notification (pp. 5, 29)
9. The evidence of Notice of the NOV and Hearing admitted without objection at the hearing demonstrates that the Respondent was provided notice of the NOV and the hearing through several methods, as detailed in the Affidavit of Sara Griego (Exhibit 4) and the Pre-Hearing Statement itself:
 - a) Certified Mail: On November 24, 2025, the Docketing Notice and attached NOV with exhibits were sent by certified mail to the Respondent's address provided in OCD permitting: 1414 W. Swann Avenue, Suite 100, Tampa, Florida 33606 (pp. 5, 27). The package was signed for on or about December 1, 2025 (p. 27).
 - b) Electronic Mail: On or about November 24, 2025, the same documents were emailed to the addresses db@cogll.com and kp-weyers@outlook.com, which were provided to the OCD by the Respondent (pp. 5, 27).
 - c) Pre-Enforcement Notification: An initial Pre-Enforcement Notification for well iBZH2535046846 was also emailed to mrklaus2005@gmail.com on December 16, 2025 (p. 30).

CONCLUSIONS OF LAW

1. The Respondent's failure to appear at the duly noticed hearing constitutes a default.
2. Pursuant to 19.15.5.10 NMAC, the OCD may impose sanctions, including civil penalties, termination of authorization to transport, and plugging and abandonment of wells, for violations of Division rules (pp. 3, 14).

3. The evidence presented by the OCD staff in the pre-hearing statement and supporting affidavits (Exhibits 1-5) is sufficient to establish the alleged violations (pp. 4, 8, 27, 30).

ORDER

IT IS THEREFORE ORDERED THAT:

1. The Respondent, Dominion Production Company, LLC, is found to be in default for its failure to appear at the hearing on January 8, 2026.
2. The Respondent is in violation of 19.15.5.9, 19.15.7.24, and 19.15.25.8 NMAC, as detailed in the OCD's Pre-Hearing Statement (p. 3).
3. A civil penalty in the amount of \$324,000.00 is hereby assessed against Dominion Production Company, LLC (pp. 4, 14).
4. The civil penalty shall be paid to the "New Mexico Oil Conservation Division" within thirty (30) days from the date of this Order.
5. The OCD is authorized to proceed with the remedies sought in its Pre-Hearing Statement, including directing the Respondent to plug and abandon the 124 non-compliant wells, terminating the Respondent's authorization to transport from all wells, and seeking indemnification for costs incurred by the OCD (pp. 3, 14).
6. Jurisdiction of this matter is retained for the entry of such further orders as the Division may deem necessary.

Albert C.S. Chang
Director, Oil Conservation Division

CERTIFICATE OF SERVICE
