Re: Application of COG Operating, LLC for a non-standard spacing and proration unit, non-standard location and compulsory pooling, Eddy County, New Mexico.

This letter is to advise you that COG Operating, LLC has filed the enclosed application with the New Mexico Oil Conservation Division seeking an order pooling all mineral interests in the Glorieta Yeso formation in a non-standard spacing and proration unit in the W/2 E/2 of Section 12, Township 17 South, Range 31 East, N.M.P.M., Eddy County, New Mexico. Said pooled unit is to be dedicated to COG's Puckett "12" Federal Well No. 5H to be drilled at a surface location 10 feet from the North line and 1781 feet from the East line of Section 13 and a bottomhole location 330 feet from the North line and 1980 feet from the East line of Section 12.

This application has been set for hearing before a Division Examiner at 8:15 a.m. on August 4, 2011. CERTIFIED MAIL-RETURN RECEIPT REQUESTED**TO AFFECTED INTEREST OWNERS**

Re: Application of COG Operating, LLC for a non-standard spacing and proration unit, non-standard location and compulsory pooling, Eddy County, New Mexico.

This letter is to advise you that COG Operating, LLC has filed the enclosed application with the New Mexico Oil Conservation Division seeking an order pooling all mineral interests in the Glorieta Yeso formation in a non-standard spacing and proration unit in the E/2 W/2 of Section 24, Township 17 South, Range 31 East, N.M.P.M., Eddy County, New Mexico. Said pooled unit is to be dedicated to COG's Puckett "24" Federal Well No. 4H to be drilled at a surface location 75 feet from the South line and 1902 feet from the West line and a bottomhole location 330 feet from the North line and 1980 feet from the West line of Section 24.

This application has been set for hearing before a Division Examiner at 8:15 a.m. on August 4, 2011. The hearing will be held in Porter Hall in the Oil Conservation Division's Santa Fe Offices located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B to file a Pre-hearing Statement four days in advance of a scheduled hearing. This statement must be filed at the Division's Santa Fe office at the above specified address and should include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.
