1                   CHAIRWOMAN BAILEY: This is the meeting of  
2 the Oil Conservation Commission on August 25th in Porter  
3 Hall in Santa Fe, New Mexico. I'm Jami Bailey, Chairman  
4 of the Commission. To my right is Scott Dawson,  
5 designee of the Commissioner of Public Lands. To his  
6 right is Florine, Commission Clerk. To my left is  
7 Cheryl Bada, Commission Counsel. And Commissioner  
8 Dr. Robert Balch is attending by telephone, which is  
9 allowed under the Commission rules. So we do have a  
10 quorum and we will be conducting business.

11                   Have commissioners had a chance to read the  
12 minutes of the previous hearing?

13                   MR. DAWSON: I have.

14                   MR. BALCH: I have.

15                   CHAIRWOMAN BAILEY: Do I hear a motion to  
16 adopt the minutes as they were written?

17                   MR. DAWSON: I'll second.

18                   MR. BALCH: I'll make that motion, sure.

19                   CHAIRWOMAN BAILEY: All right. All those in  
20 favor signify by saying aye.

21                   MR. DAWSON: Aye.

22                   CHAIRWOMAN BAILEY: Aye. Bobby, are you  
23 going to say aye?

24                   MR. BALCH: Yes, aye.

25                   CHAIRWOMAN BAILEY: All those opposed? I

1 will sign the minutes on behalf of the Commission and  
2 transmit them to the clerk.

3 I will now call the cases for this hearing. Case  
4 number ~~14741977~~ which is the application of David H.  
5 Arrington Oil and Gas Inc. for compulsory pooling in Lea  
6 County, New Mexico. And that case has been continued to  
7 the September 22nd Commission meeting.

8 The next case, 14538, which is the application of  
9 Marshall and Winston, Inc. to cancel an operator's  
10 authority and terminate a space unit and approve a  
11 change of operator in Lea County, New Mexico. And that  
12 case has also been continued until the September 22nd  
13 Commission meeting.

14 We have before us an order for case number 14547,  
15 which is the application of the New Mexico Oil  
16 Conservation Division through the compliance and  
17 enforcement manager for an order authorizing the  
18 division to recognize an operator of record for wells  
19 currently operated by Yeso Energy, Inc. in Lea, Eddy,  
20 and Chaves Counties, New Mexico.

21 Commissioners, you have seen drafts of this  
22 order. Counsel, would you tell us if there have been  
23 any changes to these drafts?

24 MS. BADA: There have been no changes since  
25 the draft was sent out on August 15th, so the order you

1 have before you today is the same order that was sent  
2 out last Monday.

3 CHAIRWOMAN BAILEY: Do I hear a motion to  
4 sign this order for case number 14547?

5 MR. DAWSON: I'll motion to sign the order.

6 CHAIRWOMAN BAILEY: Do I hear a second?

7 MR. BALCH: I'll second that.

8 CHAIRWOMAN BAILEY: All those in favor?

9 MR. DAWSON: Aye.

10 MR. BALCH: Aye.

11 CHAIRWOMAN BAILEY: Aye. All those opposed?

12 Nobody. Then the two commissioners who are present  
13 today will sign and then the order will be mailed to  
14 Commissioner Balch for his signature. In the meantime,  
15 copies of the order with the two signatures will be  
16 released to the parties so that they are aware of what  
17 the order requires.

18 Commissioner Dawson, would you like to sign?

19 MR. DAWSON: Sure.

20 CHAIRWOMAN BAILEY: And I'm signing as  
21 Chair.

22 And, Commissioner Balch, this will be in the mail
