Re: *Endurance Resources, LLC*
Cases: 14782 & 14783

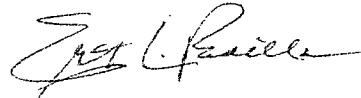

Dear Ms. Davidson:

This letter is our request for a continuance on the scheduled OCD Hearing set for Thursday, January 19, 2012 on the above referenced matter.

It has come to our attention that the applications should include lease pressure maintenance since salt water disposal shall be into a producing formation. We will either amend the existing applications or bring two new applications strictly for pressure maintenance coupled with re-publications.

Please let me know if you have any questions.

Very truly yours,

ERNEST L. PADILLA
