Re: Dodd Unit Eddy County, New Mexico.

Dear Ms. Bailey and Ms. Gerholt:

This firm represents Bruce W. McClymond, Gregg E. Goodall, Jean Ann Goodall and Central Texas Operating, Inc., all of whom are working interest owners in the Dodd Federal Unit which was approved by NMOCD Order No. R-12228. NMOCD recently posted a letter dated November 29, 2011 from the unit operator, COG Resources, on its website asking the Division to recognize that it concurs in COG's interpretation of the vertical limit boundaries of the unit, which differs from the plain meaning of the language in the Division's Order R-12228. We believe that COG must file an Application with the Division (with appropriate notice to working and other interest owners) to seek the relief sought by the letter and request that we be notified on behalf of these working interest owners in advance of any action taken concerning the matters requested in the letter.

Very truly yours,

Earl E. DeBrine, Jr.
