Subject: Application to Contract Angels Peal-Gallup Pool.

Case 14689

Dear Ms. Davidson,

I am finalizing an application on behalf of my client, XTO Energy, Inc. seeking to contract the Angel's Peak-Gallup Associated Pool and to Extend the Basin-Mancos Pool in San Juan County .

I would really appreciate if you could answer several questions that I have.

First, do I need to submit a map of the area we are seeking to contract or is the legal description sufficient?

Second, I wanted to confirm that I need to file one original and one copy.

Third, may I enclose the first page of the Application and a self addressed stamped envelope so that you can send me a date stamped copy of the first page of the application?

Fourth, I am identifying the Anders Peak-Gallup Associated Pool as Pool ID # 2170 and the Basin-Mancos Gas Pool as Pool ID #97232. Are those the correct pool # ID's for these two pools?

Finally, is this the correct address to send the Application:

Thanks for you assistance in this matter.
