**Re: Case No. 12950 Well Plugging - Fi-Ro Corporation**

Ladies and Gentlemen:

Be advised that on December 10, 2002, the New Mexico Oil Conservation Division entered Order No. R-11873 (copy enclosed) ordering you to properly plug three wells described in the order on or before January 15, 2003.

Failure to comply with this order will result in forfeiture of your bond and may result in additional penalties.

You should contact the Hobbs office of the Division at 505-393-6161 to obtain approved procedures for plugging these wells, and file appropriate forms C-103, prior to commencing work.

Should you have any questions, please call me at (505)-476-3450.

Very truly yours,

121

David K. Brooks
