David,

I've got a draft which is currently being reviewed by EOG. I will give them a call to see how they like my draft proposed order. Can you put this on hold until I get back in touch with you? Thanks for checking in with me.

Adam

Good Afternoon, Adam

I was thinking that you requested to prepare a draft order in this case. However, I find nothing about that in the record. Either I am thinking about some other case, or the discussion was off the record.

Please advise if you want me to hold this for any reason or if I should go ahead and approve it with our standard order for such cases.

Sincerely

David Brooks
