Jere,

Per our conversation last week, you will be receiving Cimarex Energy Co.'s Compulsory Pooling Application sometime this week. It will be sent by my attorney, James Bruce.

Any new developments on your end as to timing on finalizing the paperwork?

Hayden,

The sale of The Dow Chemical Company Oil & Gas Division to Apache was in 1982. It is quite possible that this New Mexico lease interest was included in this sale.

A contact at Apache to check with on this is Sam Butler 713-296-6674 or 713-296-6271.

Let me know what you find out.

Jere,

Apache has researched and does not own or claim to own the interest. I will have your check processed in the total amount of \$48,000. Is Dow prepared to execute the Term Assignment?
