Federal 3 #2 Well located in the

Range 32 East, Lea County, New Mexico

Oil Conservation Division
Case No. _____
Exhibit No. 46

Mr. Roberts:

Marshall & Winston, Inc. is proposing the drilling of a second Bone Spring formation horizontal well in the above described lands. From the information available to us in the federal records and the Lea County, New Mexico records, you appear to own a working interest in the lands.

Enclosed you will find:

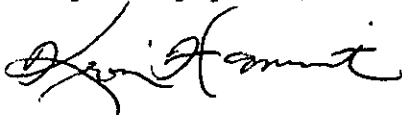

1. Operating Agreement dated August 20, 2012, along with an extra set of signature pages.
2. Two copies of Memorandum of Operating Agreement and Notice of Lien and Mortgage.
3. Two copies of an AFE covering the TJG Federal 3 #1H Well.
4. Copy of Drilling Opinion dated October 24, 2011.

If you want to participate, we ask that you sign the extra copy of the signature page, one copy of the Memorandum of Operating Agreement and one copy of the AFE before returning them to us. Please note that your signatures will need acknowledgments from a notary public on the operating agreement and Memorandum. You should also include a drilling information letter in the packet so drilling reports and documentation on the well can be delivered properly. Because of the significant cost of the well, it is possible we may require prepayment of dry hole expenses.

However, if you do not want to participate, you need to get in touch with me and we can discuss a trade for your interest. Should you have any questions regarding this matter, please do not hesitate to contact us. Your attention to this matter is appreciated.

Very truly yours,

A handwritten signature in black ink, appearing to read "Kevin Hammit", with a stylized flourish at the end.
