Good Afternoon Florene

These applications for the Regina Com. 25-2-14-13 #1H and 25-2-14-15 #1H should be set for hearing per the protest of William N. Roberts.

Since the applications are related and subject of a common protest, I believe they should be set in one case.

A propose advertisement is attached.

Dear Mr. Thompson:

Pursuant to the objection of William N. Roberts to the above-referenced applications in the Gavilan-Mancos Pool, these applications have been set for hearing by an examiner on December 19, 2013. They have been consolidated into one case, Case 15071, and enclosed is the notice of that hearing. A final docket of the hearing will be prepared and mailed to you on December 6, 2013.

Please let me know if you have any questions.

Sincerely,

*Florene Davidson*

Dear Mr. Roberts:

Pursuant to your objection to the above-referenced applications filed by Hunt Oil Company for non-standard proration units and unorthodox locations in the Gavilan-Mancos Pool, these applications have been set for hearing by an examiner on December 19, 2013. They have been consolidated into one case, Case 15071, and enclosed is the notice of that hearing. A final docket of the hearing will be prepared and mailed to you on December 6, 2013.

Please let me know if you have any questions concerning the hearing process, or if I can assist you in any way.

Sincerely,

*Florene Davidson*
