Through a review of compliance correspondence it has come to our attention that you have taken no action concerning our letter dated August 7, 2000.

The following options are available

1. Restore the wells to service
2. Temporarily abandon these wells per the standard of NMOCD Rule 203
3. Plug and abandon these wells per the standard on NMOCD Rule 202

To avoid further action, we request that you exercise one of the above options No later than February 27, 2001 We request that you notify this office 24 hours to any operation in order to witness the operation,
