Dear Mr. Langston:

Please be advised that the attached order has been entered by the New Mexico Oil Conservation Division ("OCD") in the referenced case, requiring you to bring fourteen (14) wells into compliance with OCD Rules within thirty days from January 15, 2002. Previous notices of this order have been mailed to SWR at other addresses and returned undeliverable.

Be advised that failure to comply with provisions of the order requiring you to bring your wells into compliance may result in assessment of civil penalties and/or an application for immediate plugging of these wells, for the cost of which SWR will be held responsible.

Should you have any questions, please call me at (505)-476-3450.

Very truly yours,

David K. Brooks
