3. Approve minutes of March 12, 2015 meeting.
4. ***Case No. 15284: (Continued from the April 9, 2015 Commission Meeting.)***  
***Application of Linn Operating, Inc. to Amend Commission Order No. R-11980-A regarding the East Hobbs San Andres Unit, Lea County, New Mexico.*** Commission Order No. R-11980-A approved the East Hobbs San Andres Unit, a statutory unit, for the purpose of instituting a pressure maintenance project within the East Hobbs-San Andres Pool. Applicant seeks an order amending Order No. R-11980-A to eliminate Ordering Paragraph 9, which required that no fresh water be used as make-up water or otherwise be injected. Applicant intends to institute a carbon dioxide flood in the unit at a future date, but to do so needs to re-pressurize or fill up the reservoir, and the best and possibly only way to do so is to use fresh water from the City of Hobbs water system. The unit covers portions of Sections 29-32, Township 18 South, Range 39 East, NMPM. The unit is centered approximately 2 miles northeast of Hobbs, New Mexico.
5. Next meeting: June 4, 2015.
6. Adjournment.
